DEBERRY INSURANCE AGENCY VOTED BEST INSURANCE AGENCY!

We were so honored to receive the 2022 Main Street Award for Best Insurance Agency in Spring Hill! We are so thankful to everyone who took the time to vote for us.

The Main Street Awards were hosted by the local news source Main Street Maury to highlight local businesses across four main categories including community, food, retail, and services. Many wonderful local businesses were recognized, and we are certainly thankful to be among them. We will continue to offer the best service you will find at any insurance agency. We have a great team with great experience, and we are here to serve you.

Merry Christmas & Happy New Year

NEWSLETTER CHRISTMAS 2022

A NOTE FROM ERIC AND CHRIS

It is hard to believe that 2022 marked our 19th year in business! We are so thankful for the opportunity to continue serving as your Hometown Insurance Agency. Each year, our agency has grown along with the wonderful City of Spring Hill. If you have visited our office lately, you may have noticed a few new friendly faces as we have added to our team to continue offering you the very best service and expertise for all your insurance needs.

We had a great year and were very honored to receive the Main Street Award for Best Insurance Agency in Spring Hill. We are so thankful to everyone who voted. Our 6th annual FREE Shred Day for the community was a success as we got to see new and familiar faces for the event. New this year was our participation in the Spring Hill Chamber of Commerce's #springhillpassport program. We were so glad to get to see many of our customers who stopped by to get their passport stickers and a treat from us! Finn and Q are still the life of the party here at DeBerry Insurance Agency. They had fun building their resume for the #HIREMYDOG contest and even went on to become finalists! They also hosted a pet costume contest on our social media pages. We had so many adorable contestants. We will be donating to Snooty Giggles Dog Rescue in their honor!

We are looking forward to 2023 when we celebrate our 20th business anniversary! We are beyond thankful for all the support through the years. We are always here to serve you and help you with your insurance needs. As a reminder, we offer our clients a free insurance review each year. The New Year is a great time to do this, so give us a call and let us help you review your current coverage.

We wish you and your family a very Merry Christmas and a Happy New Year!

HAVING FUN WITH #SPRINGHILLPASSPORT

Since we first opened our doors in 2003, we have embraced opportunities to get to know other locally owned businesses and cheer them on. We were excited to sign on as participants in the #springhillpassport program hosted by our Spring Hill Chamber of Commerce. The passport program took place in September and October. Members of the community could pick up a “passport” at participating locations, including DeBerry Insurance, and get a sticker. If they collected stickers from at least 14 businesses, they could enter to win an awesome prize package!

We had a great time participating in the #springhillpassport program. We had a chance to meet lots of new friends and we really enjoyed visiting with some of the other participating businesses. Stay tuned for another #springhillpassport program next year. We hope you will stop by and visit us!

THANK YOU, SPRING HILL, FOR ANOTHER GREAT FREE SHRED DAY!

A big thank you to everyone who helped us make our Shred Day 2022 a success. The Spring Hill Police Department helped us hire two off-duty officers to safely direct traffic and our awesome neighbors, Spring Hill Eyecare, graciously made their parking lot available during our busiest times. Our 6th annual FREE Shred Day for the community brought the total amount of paper collected and recycled to more than 18 tons!

We purchased delicious cookies from The Dotted Lime as treats for our visitors. The cookies made everyone smile! It was a win-win to support a great local business and offer a token of our appreciation to those who came out for the event.

As part of our FREE Shred Day event each year, we host a food drive for The Well Outreach. We are so thankful to be able to pass along the generous food and money donations we collected during the event. Our food drive grows bigger every year!

We saw many visitors who have become regulars to our annual FREE Shred Day event. We also had a few participants who are new to the area and were very happy to know that our community is here to welcome them with helpful services such as our FREE Shred Day. In all, we heard many comments from people who are so thankful that we provide this service each year.

This event takes a lot of dedication and teamwork each year. When we see the smiles and hear the appreciation from those who attend, it makes it all worth it! We are honored to be Your Hometown Insurance Agency and are thankful for the opportunity to give back to our community.

RESUME BUILDING WITH FINN AND Q

Finn and Q have an official resume now thanks to the #HIREMYDOG contest from @cesarcuisine and @marspetcareus. Finn and Q applied to be “Associate Communication Ambassadors” for DeBerry Insurance Agency. In compiling their resume, they highlighted their energy and enthusiasm along with the increased productivity they bring to our workplace. They also touted their stress-reduction benefits among co-workers. Although they didn’t win the grand prize of the “pup-up workspace,” they were finalists in the contest and won some yummy dog food!

We love promoting the idea of pet-friendly workplaces. Having Finn and Q come to work with us every day carries on the tradition we began with our beloved dog Murphy who was with us when we first opened the agency. If you have ever been inside our doors, you know that our pups are a big part of our workday. We love the energy they bring to us and to our customers. We hope we can inspire other businesses to make pets a part of their workplaces.

PET COSTUME CONTEST

We decided to have a little extra fun this Halloween by hosting a pet costume contest. Finn and Q led the charge with their own adorable pumpkin and bat costumes. Their spooky fashions inspired lots of other pets and their owners to put their own creativity to work! We loved getting photos of so many cute pets dressed in their Halloween best.

We had dogs, small and large, several compliant cats, and even a horse dressed up as a ballerina unicorn! With so many great contestants, it was difficult to choose a winner. However, sweet Sophie dressed as Wonder Woman stole our hearts. Sophie’s owner, Beth, was very excited to get the news that Sophie had won. She received a gift card and bragging rights until next year when we host our contest again! A big thank you to everyone who participated in the fun!
